

My name is

FELIPE DE LANTEUIL

..... and I'm a

CHARACTER ANIMATOR

+ PREVIS ARTIST +

I'm a highly motivated artist with a wide range of skills and I love a good challenge. I have an extensive background in film making and visual communications.

When I'm not animating, the rest of my time is spent with my family - or at the PUB - but if there is any time left I will probably be writing scripts, that I will most probably never finish, or planning a trip to a beach somewhere hot. After all, I was born in Brazil and if there one thing I really miss it's the great weather and the beach life.

I'm based in London, where I've been living and working for the last 6 years. In case you are wondering, I don't need a visa to work here, as well as Brazilian I'm also Italian.
